### **Introduction**

Tshepangthuto finishing school has a new focus on providing learners with new chances and opportunities to complete their grade 12. Our school is working to create pathways for our students to take the next step.

Students attend school every day on time and take their studies seriously. Those who cannot afford to attend in-person lessons will do so online, listening to recorded lessons.

Teachers at Tshepangthuto finishing school are self-assured, well-trained, and constantly working to improve their skills. They are dedicated to providing students with the best education possible, thereby contributing to the nation's development.

Learners who attend Tshepangthuto finishing School will benefit from a higher quality education. The nation will benefit as more skilled and knowledgeable graduates enter further and higher education, as well as the workforce.

### **Vision**

Our vision is to pave the way for students to achieve their educational and personal goals, leading to a rewarding future in the larger community.

### **Mission**

Our mission is to create a positive, safe, healthy, nurturing, and respectful environment in which all students can become productive members of society.

### **Curriculum**

Tshepangthuto finishing school offers a CAPS Curriculum-based educational program. The curriculum ensures that our students are well prepared for further study. Students will have the knowledge and skills necessary to meet the admission requirements for university and college programs.
